CANCELLATION & NO-SHOW POLICY

If you do not show up for your appointment AND if you had not cancelled your appointment at least 48 hours (two full days) In advance, Center for Advanced Urology will charge you a "no-show fee". The amount of the no-show fee will result in a \$30 no show fee and missed procedures and test will result in a no-show fee of \$50. A no-show fee is a separate charge that will not be covered by your insurance plan.

BEFORE CHARGING YOU A NO-SHOW FEE, CENTER FOR ADVANCED UROLOGY MAY CONSIDER EXTENUATING CIRCUMSTANCE ON A CASE-BY-CASE BASIS.

You will need to pay the no-show fee in full before you schedule any future appointments.

WHY WE CHARGE A NO-SHOW FEE: A patient who does not show up for their appointment and who had not cancelled their appointment with at least 48 hours advance notice affects the care we provide our other patients and the cost of care. First, each no-show represents a missed opportunity for another Center for Advanced Urology patient to see the doctor. Second, certain supplies and medications that we have ordered for you may be wasted if you do not show up. Every no show is inconsiderate and cost Center for Advanced Urology time and money.

I understand the Center for Advanced urology no-show policy and agree to pay the no-show fees above if I am a no-show and had not called the office at least 48 hours in advanced of my appointment to cancel.

PATIENT RESPONSIBILITY
FOR FOLLOW-UP CARE PLEDGE

I, _____ (print last name), _____ (print first name), hereby acknowledge and understand that even with the best training, skill and experience, a medically trained professional is not always capable of solving my medical problems. Therefore, I understand it is important that any and all recommendations by doctors are followed completely in order to increase the likelihood of a positive and healthy treatment/outcome. I acknowledge and understand that if any physician in this office prescribes medicine to me that the proper taking of any such medicine shall be my sole responsibility (or my guardian who has attended this consultation). I agree to properly follow the prescribed dosage and frequency amounts of these medicines as recommended by my doctor.

I understand that if a doctor in this office refers me to see another doctor or receive another test including, but not limited to, a blood test, an MRI, or CT Scan, this timely recommendation is important and essential to the ultimate success of my treatment/outcome. I understand that it is not possible for any person in this office to constantly follow-up to ensure that I have followed these recommendations. Therefore, I understand that if I fail to see that specialist or obtain the test for which I was referred immediately, this can risk my current health or increase future health risks.

I understand that it is solely my responsibility to follow any of the medical advice given by any medical person in this office and any bad health outcome from my failure to follow the advice of my doctors should be expected.
