#### CANCELLATION & NO-SHOW POLICY

If you do not show up for your appointment AND if you had not cancelled your appointment at least 48 hours (two full days) In advance, Center for Advanced Urology will charge you a "no-show fee". The amount of the no-show fee will result in a \$30 no show fee and missed procedures and test will result in a no-show fee of \$50. A no-show fee is a separate charge that will not be covered by your insurance plan.

BEFORE CHARGING YOU A NO-SHOW FEE, CENTER FOR ADVANCED UROLOGY MAY CONSIDER EXTENUATING CIRCUMSTANCE ON A CASE-BY-CASE BASIS.

You will need to pay the no-show fee in full before you schedule any future appointments.

WHY WE CHARGE A NO-SHOW FEE: A patient who does not show up for their appointment and who had not cancelled their appointment with at least 48 hours advance notice affects the care we provide our other patients and the cost of care. First, each no-show represents a missed opportunity for another Center for Advanced Urology patient to see the doctor. Second, certain supplies and medications that we have ordered for you may be wasted if you do not show up. Every no show is inconsiderate and cost Center for Advanced Urology time and money.

I understand the Center for Advanced urology no-show policy and agree to pay the no-show fees above if I am a no-show and had not called the office at least 48 hours in advanced of my appointment to cancel.
